

THE RASA LOC JOURNEY TO ENLIGHTENMENT

Here is the eagle's eye view of the awakening process when you work one on one online with Ramaji and/or Ananda Devi combined with the RASA spiritual transmission. We have helped 100s of people around the world achieve their spiritual goal of enlightenment (LOC 1000) in one year or less. To learn more, please visit our website RasaTransmissionInternational.com.

This handy LOC Map takes you through the stages of awakening from the Advanced Seeker LOCs (560s to 590s) to finishing at Self-realization or traditional full Enlightenment (LOC 1000). More can be found in "1000" by Ramaji and Ananda Devi or in Ananda's boldly honest spiritual autobiography "Intimacy with the Infinite." Filled with non-dual gems, it sizzles with a zesty Zen flavor all its own.
